

Community Meeting 01/02/14 Camp Kitchen. 9am.

Attendance: Roger, Belinda, Glen, Mairead, Lexie, Wayne, Denise, Bronwyn, Russell, Pete, Isaac, Griff, Craig (facilitator), Anne (minutes).

Apologies: Paul, Ralph (deputised Anne), Mark (deputised Lexie), John T.

Secretary: Compassionate Communication workshop proposed for 15-16th March. Will open it up to wider community to get the numbers (at full rate). Read excerpt from report in Bundagen's newsletter about the intentional community conference at Moora Moora – see full report in Bundagen's newsletter in camp kitchen.

Treasury: Craig read out John T's emailed report (attached).

DA report: Mairead. Roads submission from Roadnet passed around. No response yet from council.

Lexie and Mark's DA is on hold until they can get their BAL rating below 12.5. (problems are due to heavy vegetation to the north and west. Have been given until the 31/3. Discussion regarding what to do with Wendy Penney's site. Moved by Craig, seconded by Anne, to have a working bee to selectively clear, with work claims charged to Wendy Penney instead of the co-op. Passed unanimously. Discussion regarding definition of managed land. Anne to send letter to Wendy. Some progress on getting approvals for Nature Clear GWS10 grey water filtration, reed bed and evaporation trench systems through Jim Blanchard. Still costly, but at least it does good filtration and processing, rather than promoting anaerobic bacteria like septic tanks.

Tractor report: Roger: Mark replaced tie rod. Check air on right hand front tyre – will need to replace soon – *Roger to arrange. Isaac still working on fire striker upgrades.*

Membership: Nothing to report.

Reckless driving: There has been a lot of reckless driving by neighbours. Discussion regarding how to address it. Representative to talk to the chamber magistrate.

Quoll: Spotted quoll photographed eating a kangaroo carcass at Stu's place, very cool.

Levy reduction approved tasks: Slashing community areas, Tractor/fire truck maintenance, Pot holing, Camp kitchen water supply and renovations, Website, Membership committee work, DA committee work, fire hazard reduction, clearing along Forest Way.

Meeting Closed: 11am.
