

Director nomination 2021-22: Bronwyn Little

I hereby nominate for a director's position of Goolawah cooperative for the period 2021/2022.

I meet all the required qualifications needed to be a director. I have previously held the position for 3 years (2012/13, 2013/14, 2014/15).

Over that time I was involved with the DA committee and was integral in refurbishing the camp kitchen as well as the common duties of the board.

I regularly attend and contribute to meetings and will continue to do so as a director.

I see myself as fair minded and have people's best interest at heart.

I am nominating this year as I feel we need to see more female representation on the board and I welcome other females to nominate.

- Bronwyn Little, Lot 38
