

Nomination for director 2022/2023

27 July 2022

To the Board of Directors Goolawah Cooperative Ltd.

I hereby nominate for a director's position for the 2022/2023 year.

Unfortunately, I won't be able to attend the AGM due to a previous commitment on the day. I intend to send in a proxy vote for the election.

Qualifications

I am qualified for a director's role as specified in ss174 of the CNL as I am an active member of the cooperative. I am not disqualified in law from holding a directorship per division 2 of the CNL, I am over 18 and a resident in Australia.

Experience and length of service as a director of a cooperative.

This is my first nomination as a director for Goolawah Cooperative.

It was difficult to find someone to speak positively of the experience, therefore my motives to nominate are based on altruism and practicality. As we govern ourselves, it's vital for Members to be active and aware of Cooperative matters to ensure it thrives. And given the perilous plight of our planet, I feel impelled to provide practical solutions to mitigate disaster.

I intend to work in the 'Landcare' space to find opportunities that reach beyond human privilege to develop relationships that support solutions for all creatures. Grandiose, yes, but I'm developing a manifesto for survival and sanity.

I'm a reluctant Nominee. I intend to avoid unnecessary conflict, as it's likely I will fail to understand many things and perception often gives way to abuse. Yet my sense of community, connection with nature and love of life compels me to throw myself into the fray. I will do my best, so wish me luck and vote for me if you feel like it.

I have been a Director of an Environmental Educational Cooperative, a teacher, a gardener, musician, artist, writer, lover; you get the picture. Feel free to contact me to organise a chat if you need.

Thanks

Jac Larsen
