Term Deposit. Unless directed otherwise by the meeting minutes I will continue to leave the bank to automatically reinvest Term Deposit principal plus interest for the same term at the best available rate. The BankOz term deposit matures on 14 January 2023.

Bank Signatories

We are vulnerable because our main bank accounts have only two signatories and require BOTH of these to sign. This is an essential security measure but it means that if either signatory is unavailable for any reason it would be impossible to make any payments. We should therefore change our arrangements to require that any bank account holding significant funds must have three signatories with any two to sign.

Before the banks will accept requests to change to bank signatories they require ALL directors, (not just the signatories) to verify their identity, a simple on-line process, in order to comply with KYC (Know your Customer) and AML (Anti Money Laundering) requirements imposed on banks by AUSTRAC (Australian Transaction Reports and Analysis Centre).

Appended Reports

Income/Expense Cash Summary, Expense Detail, Jobs Budget Summary. Please let me know if anyone needs a detailed report for any individual budget showing all transactions and adjustments.

Overdues summary (12/11/2022):

At the time of writing there are currently six members appearing on the overdues report with a total amount overdue of \$2545.88

As usual I will send an updated overdues report to the directors after 5pm on Friday 18/11/2022.

If anyone is unclear about their overdue status they should feel free to contact me by email or SMS (below).

Paid in Advance

The total amount paid in advance is currently \$12546.50. Note that this is a liability for which value (future levy invoices) must be delivered or refunds paid. It cannot be spent.

Unidentified Deposits

I still receive occasional deposits with no identifying details. If you have made a payment that has not appeared on your account please let me know the precise amount and date of the payment and I will investigate.
