

Nomination for Director 2023/2024

21st of July 2023

Anna Du Chesne

Lot 1

I wish to nominate for a director's position for the 2023/2024 year.

Qualifications

I am qualified for a role as director as specified in section 174 of the Cooperative National Law as I am an active member of Goolawah (CNL) Cooperative. I am not disqualified in law from holding a directorship per division 2 of the CNL. I am over 18 and a resident of Australia.

Experience and skills

In the 3 years that Goolawah has now been my home, I have mainly contributed to the work of the membership committee. Outside Goolawah, I'm the senior research librarian at Charles Sturt Uni (PMQ), which has given me useful experience in working with different people with differing needs and interests. The skills I'd bring to the director role include: a focus on clear communication; a belief in the importance of treating all members fairly and equally; and a commitment to kindness. I understand that the role of director is not about advancing personal interests, but rather to represent the will of the community.
