

**NAME OF PROJECT :** Camp Kitchen Pizza Oven roof Project DA T6-19-23.

**PROJECT DIRECTOR:** Wayne Skinner

**PROJECT MANAGER:** Wayne

**TEAM:** Men's Shed and volunteers

**AIM:** To construct a roof over the Pizza Oven.

**RATIONALE:** The Pizza Oven is utilised by the community regularly. However, to make it more usable a roof will provide shelter during inclement weather as well as saving time to heat the oven after rain.

**DESCRIPTION:** To construct a roof over the oven. The roof will be connected to the existing Camp Kitchen verandah roof. DA approval obtained in T6-19-23 Rev 1 and construction certificate CB-20-353. Partial Occupation certificate for the Toilet obtained in July 2023.

**Tasks:**

Develop plan - This was presented to the Community and a budget of \$2,500 was approved.

Source pole - a tree was removed from Russell block and will be used as the post.

Dig hole and stand up post.

KSC inspection.

Source materials.

Build structure.

Roof.

Paint

Final inspection by KSC.

**LABOUR:** Project manager would plan, organise and manage the processes. Men's shed and working bees would be established for labour intensive tasks. Contractor machinery would be hired where required.

**Start Date:** October 2023.

**Completion:** October 2024 (Men's shed cannot be rushed(-:))

**CONTINGENCY:** Utilise donations of Equipment and Labour as much as possible.

**GM APPROVAL:** \$2,500 BUDGET approved August 2021 and reapproved in June 2023 when the Annual Budgets were approved.

**BUDGET:**

\$2500 approved. First approval in August 2021, reapproved in June 2023 with Annual Budgets.

**Estimates:**

**Timber:**

H/W for Ridge plate = \$200

Treated pine for Rafters and battens.

Rafters = \$550

Battens = \$100

End battens = \$100

Collar ties = \$100

**Corrugated roof:**

8 sheets of Colourbond at 2.4M = \$1000

Cement – 4 bags = \$50

Bolts and nails = \$100

Decking oil = \$250

Total cost = \$2500
