

Nomination for Director 2024/2025  
July 25, 2024

To the Board of Directors Goolawah Cooperative Ltd.

I hereby nominate for a director's role for the 2024/2025 year.

#### Qualifications

I am qualified for a role as director as specified in section 174 of the Cooperative National Law as I am an active member of Goolawah (CNL) Cooperative, not disqualified in law from holding a directorship per division 2 of the CNL. I am over 18 and a resident of Australia.

#### Experience

I've lived in Goolawah for ten years, and have been on the board for the last three. Before that I edited the Newsletter for 5 years and had plenty of opportunity to understand place, environment and people.

#### Goals

I'm mainly nominating to support continuity on the board since many other 2023/24 directors won't be standing again.

I think it would be better in the future if we could only vote for 3 or 4 new board members each year (change of rule 34 would be required) to help new team members ease in and existing ones pass on the baton.

I would keep trying to implement easier communication flows amongst directors and simplify processes.

And I'd still like to try and bring back regular working bees.

I work and will be overseas for several weeks next year, and I support the practice of having alternate directors during our absences as it can give interested members a taste of the role.
