Total Cash at Bank	392,101.78					
Accounts with zero balance	Accounts with zero balances omitted for clarity					

I have received payments into incorrect bank accounts:

- 1. Payment of \$200.00 by <u>direct credit</u> into our NAB account. This account is retained solely to accommodate who can only pay by <u>depositing cash</u> into a bank branch.
- 2. Payment of \$916.30 into our Bank Australia cheque account. This account is being closed after which any such payments will be rejected by the bank.

Please ensure that you are using the correct bank account which is:

Goolawah Cooperative Ltd

BSB: 704-189 (Coastline Credit Union)

Account: 11027840

I check this account (and ONLY this account) several times each day so that your payment can be acknowledged promptly.

Closing Bank Australia Account(s)

I hope to have all the forms required by Bank Australia to close the account available for signature at the meeting (it's not simple).

I will then submit the forms to the bank, along with a copy of the minutes of the 8 June meeting where this was approved.

Infrastructure Shares

The following table summarises activity with Infrastructure Shares to date:

The following table balling	ilarises activity with	illiasti actare silare	is to date.	
	Members	Shares	Invoiced	Paid
Share Paid-in-full	9	10	\$60,000	\$60,000
Share by Instalments	58	63	\$129,750	\$126,953.85
Levy	5	6	\$6,750	\$5,834.10

More comprehensive and detailed versions of the above report summaries will be provided to the directors.

Reserving Infrastructure Share Contributions

It is important that Infrastructure Share contributions are reserved solely for the NRS2 project. I will include an updated version of the following summary in each treasurer's report until this project is completed.

A Unspent balance of NRS2 Budget	\$246,301.75
Infrastructure Share Instalments and Paid-in-Full	\$126,953.85
Sinking Fund Levy 2 (by those who are not purchasing a share)	\$5,834.10
B TOTAL to be reserved	\$132,787.95
Total already reserved in NRS2 Budget is greater than Infrastructu Contributions to date so no action required.	ure Share

If, in future, we get to the point where the amount to be reserved (B) is more than the amount unspent in the budget (A) we will need ensure that it doesn't get spent on another project. The simplest way to do this would be to add a temporary 'dummy' budget item 'Funds Reserved for NRSx'. This is not necessary at this stage.

Appended Reports

Income/Expense Cash Summary, Expense Detail, Jobs Budget Summary. Please let me know if anyone needs a detailed report for any individual budget showing all transactions and adjustments.

Overdues summary (02/08/2024):

Overdue reminders were sent on 01 August to 17 members with a total amount overdue of \$12,932.03 and this prompted a flurry of payments.

At the time of writing there are still 8 members with overdue accounts with a value of \$6550.05

As usual I will send an updated overdues report to the directors after 5pm on Friday 09/08/2024 identifying inactive members who are ineligible to vote.

If anyone is unclear about their overdue status they should feel free to contact me by email or SMS (below).

Paid in Advance

The total amount paid in advance is currently \$11,432.12. These prepayments will be applied to future invoices and therefore diminish the amount of cash income that will be generated by these invoices.
